

Everyone Who Applies, Qualifies

Convenient access to more than 30,000 dentists and specialists nationwide where members can save up to 30% off of usual dental charges. Specialties include: Endodontics, Oral Surgery, Orthodontics, Pedodontics, Periodontics and Prosthodontics.

### OUTSTANDING FEATURES OF THE DENTAL NETWORK

- NO claims forms to fill out
- NO deductibles or maximums
- NO waiting periods for coverage
- NO pre-existing condition exclusions

### SERVICES COVERED INCLUDE

- Exams, Crowns, Orthodontics (braces),
- Fillings, X-rays, Gum Treatment,
- Cleanings and more...

### MANY WAYS TO SAVE

Unlike expensive dental insurance plans that charge you for coverage you may not need, our program offers low discount fee-for-service savings, even on those services not normally covered by insurance. And, if you do have insurance, this program can lower your out-of-pocket expenses.

AMERICA'S PREMIER PRESCRIPTION SAVINGS PROGRAM

Simply present your card at a participating pharmacy to receive your instant savings.

### With ScriptSave you receive:

- Savings on both brand name and generic prescriptions at NO COST to you
- An easy-to-use program, with no limits on usage and no income or age restrictions
- Average savings of 21%, with potential savings of up to 50% (based on national program savings data)

Access to over 52,000 participating pharmacies nationwide

Savings, even if you have health insurance coverage for your prescriptions. Use your ScriptSave card for any prescriptions that are not covered by your insurance.

Offering savings on vision care for over 20 years, EyeBenefits' Members are entitled to savings on routine eye exams, eye wear and contact lenses. The EyeBenefits' Provider Network consists of thousands of retail locations across the country.

### How Does EyeBenefits Work?

Saving on vision care is easy, just follow these steps:

- Purchase an EyeBenefits' Membership for a nominal fee.
- Go to an EyeBenefits' participating retail location, present your EyeBenefits' card and receive your discount when you pay.

For LASIK, schedule an appointment with a participating EyeBenefits' physician in one of our national networks.
